Ceramic Arts Network Membership

The Guild has purchased a corporate membership to the **Ceramic Arts Network** (CAN). This new membership will give you access to all the material they have on their site, including current and back issues of Ceramic Arts Monthly and Pottery Illustrated, all of their videos and any other information.

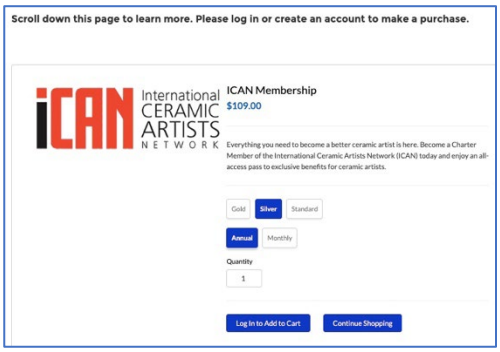
How will this work?

Each year, when you renew your Guild membership, you will receive a special discount code that will give you access to the account you set up for a year. The Guild will pay for this membership in advance, so you will not have to pay anything. You will receive an email with a special URL that brings you to a page where you will set up an account. We have purchased the Silver option that doesn't include paper copies of the two publications.

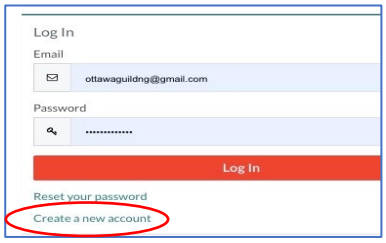
Each member will create their own account. The system will ask you to add a preferred payment method during the account creation process, but **nothing will be charged to your card.**

IMPORTANT: This is a special benefit purchased exclusively for members of the Ottawa Guild of Potters. We do not have an unlimited number of spots, so we ask that you do NOT share the login information with anyone else.

To create your account:



1. Click on this link: (Ceramic Arts Network Membership)
2. Click **ICAN Silver** on the page, then **Log in to Add to Cart** (this will bring you to a page where you can create an account).
3. Click on **Create a New Account** at the bottom of the Login screen.
    a. Enter information requested (Name, mailing address etc).
    b. At the bottom of the page, enter your email address twice, then create a password.
        i. Click on **Create Account**
    c. This will bring you back to the ICAN membership screen.
        i. Select **ICAN Sliver Membership**
        ii. Click **Add to Cart**
        iii. Click **View Cart**
    d. Scroll down the page and enter the coupon number **OGOP2025**



(NOTE: you will receive a new code each year). This will bring the charge to you down to $0.

        i. Click **Apply**
        ii. Scroll to the bottom of the page, and click on **Add Payment Method**
        iii. Select **Add a new Payment Method, then** click **Next**
        iv. Enter your credit card number and billing information,
        v. Click **View Cart**
        vi. If you get an error message it may be because you either did not enter a preferred payment method, or you need to click the box to make your card the '**default payment**' before moving on.

a. Click **Next**
b. Click **Submit**

e. You are now a member of Ceramic Arts Monthly. Enjoy. If you have any questions, contact me by email at ottawaguildng@gmail.com

NOTE: one of our members ran into an issue with Auto Renew:

When they were asked to enter a payment method, it automatically did auto-renew, and does mention this in the **Order Summary** email you receive. Just an fyi that to fix it, you just email Ceramic Arts Network (customerservice@ceramicartsnetwork.org) and ask them to remove the 'auto-renew'. It was quick and easy, and the person received a response from them in under 10 mins with the auto-renew switched off. That way, you won't accidentally get charged next year, if the auto-renew date manages to transpire before you get around to entering the code from the guild for next year's subscription.

Check out the chart below to determine which level of ICAN membership is right for you!
